

—Responding to individual APCD requests for technical assistance in the design and management of environment projects.

- Assist with the ongoing collaboration between the Environment Sector and other sectors with the Office of Training and Program Support (education, small business, agriculture, health, youth, and water/sanitation) in the design of Environment projects and project components. As part of this effort, develop and coordinate country assessments, project designs, reviews, and evaluations, in-service training workshops, and other related programming and training activities for Peace Corps Volunteers and their counterparts in countries requesting this assistance.

- Take primary responsibility for identifying appropriate resource materials for Peace Corps volunteers working in the Environment Sector and work closely with Peace Corps' Information Collection and Exchange (ICE) to maintain a current Environmental resource library for Washington staff, field staff, and Volunteers.

- Support the agency in the implementation of Peace Corps' Programming and Training System (PATs), including project design, monitoring, and evaluation assistance. In addition, collaborate with incumbent Sector Specialists in the following tasks;

- Participate in project plan, project status, and Integrated Programming and Budget System (IPBS) reviews for environment projects worldwide.
- Undertake annual reviews of country program and technical assistance requests.

- Work with other Environment Sector Specialists in regular sector activities, including, but not limited to:

- Initiating and maintaining collaborative relationships with private organizations and other governmental agencies;
- Preparing documentation of sector activities;
- Maintaining computerized files used to plan, monitor, and evaluate environment projects;
- Collaborating with other sectors in the Office of Training and Program Support (OTAPS); for example,

incorporating Women and Youth Issues into Environment Sector projects and activities, and working with other offices in Peace Corps.

- Develop and assist implementation of new environment projects and initiatives which will strengthen Peace Corps' ability to undertake activities addressing biodiversity conservation, global climate change, and desertification.

- Assist, on occasion, Area Recruitment Offices in their efforts to recruit applicants for Environment assignments.

- Represent the Environment Sector in various domestic and international workshops, conferences, and symposia.

Selection Criteria

- Demonstrated ability of the proposer to plan, design, manage, monitor, and evaluate Peace Corps Natural Resource and Environmental projects.

- Demonstrated ability of the proposer to design and deliver environment workshops for both formal and nonformal audiences. National and international workshop experience preferred.

- Demonstrated ability of the proposer to conduct needs assessments and develop project designs.

- Demonstrated ability of the proposer to write reports, conduct research, and handle administrative responsibilities as needed.

- Fluency in Spanish or French preferred.
